<u>101/4 Sighthill Loan</u> <u>Website Documents:</u>

Scan here for HMO License; EPC and latest safety test certificates; manuals for appliances, boiler & fire-alarms etc, or see johnston-stevens.com/tn2p46

Weekly Safety Tests:

Log details here of the following tests, plus any other incidents e.g. unexpected alarms. If any test fails, let the landlord know asap on 07799 653 614.

TEST 1: Fire Alarms

Press the 'test' button on any detector. Alarms should sound in ALL rooms at once.

TEST 2: Emergency Exit Light

Flip the lighting circuit-breaker switch on the Consumer Unit (fuse box), and ensure the hall emergency exit light comes on as expected.
